

# How to Clear your Browser Cache (Google Chrome)

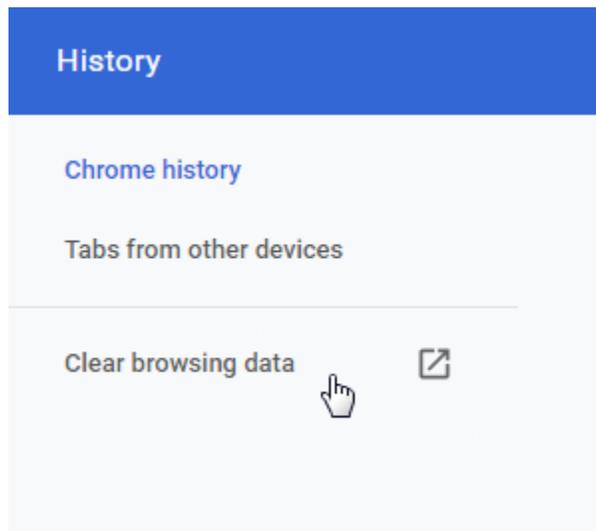

1. Navigate to your account history menu:
  - a. Click the  icon located at the top right of your screen

- b. Click "History" and then click "History" again.

- c. Click "Clear browsing data"

2. Clear your cache and cookies:
  - a. Make sure “all time” is selected in the “Time Range” field and both highlighted options are selected. (Clearing history is optional).
  - b. Click “Clear Data”

Clear browsing data

Basic Advanced

Time range All time

Browsing history  
Clears history from all signed-in devices. Your Google Account may have other forms of browsing history at [myactivity.google.com](https://myactivity.google.com).

Cookies and other site data  
Signs you out of most sites. You'll stay signed in to your Google Account so your synced data can be cleared.

Cached images and files  
Frees up 96.7 MB. Some sites may load more slowly on your next visit.

Cancel Clear data

- c. Refresh any pages you were on.
